Hands off Cuba – Learn the truth about the Cuban Revolution Today

Hear and question:

Teresita Trujillo

Representative of the Central
Committee of the Communist Party
of Cuba

Teresita Trujillo will give an up-to-date report on how, in the face of the continuing pressures on Cuba, the people and government are taking steps to advance the revolution; on the wide-ranging discussion in the country; and on the media myths. Plenty of time for questions and discussion.

7.30pm, Thursday 29 May

Room 3D, University of London Union,
Malet Street, London WC1E 7HY
