

# ***Social and Meeting***

---

**To Celebrate the 72nd Anniversary of the Workers' Party of Korea**

**Monday, October 9, 2017: 7.00 pm**

**John Buckle Centre, 170 Wandsworth Road, London SW8 2LA**

*The WPK was founded on October 10, 1945, by President Kim Il Sung. Since its birth the WPK has led the Korean revolution. Under the guidance of the respected leader Kim Jong Un, the WPK is now leading the drive to build a thriving and impregnable socialist country while at the same time taking measures to defend its sovereignty.*

This social meeting will once again provide the opportunity to strengthen our unity with the comrades from the Embassy of the Democratic People's Republic of Korea in London, discuss with them, inform ourselves on the developments in the DPRK and deepen our friendship with the Korean people.

*With short presentations followed by discussion*

**Organised by Friends of Korea**
